---	---

RE: Applicant: New Cingular Wireless PCS, LLC ("AT&T")  
Owner: Wendy and John Dunlap  
Site: 22 High Street, Antrim, NH (Map 244, Lot 006)

Dear Members of the Boards:

New Cingular Wireless PCS, LLC ("AT&T") is applying for any necessary zoning relief to construct and operate a Tower and Personal Wireless Service Facility to be located on our property at 22 High Street, Antrim, NH (Map 244, Lot 006). As the owners of the subject property, we hereby consent to AT&T and its attorneys Anderson & Kreiger LLP applying for any and all governmental licenses, permits, approvals or other relief required for or deemed necessary or appropriate by AT&T for its use of the property, including without limitation applications for zoning variances, special exceptions, conditional use permits, conceptual consultations, site plan reviews, and building and construction permits.

Pursuant to § 8(c) of the Antrim Wireless Communication Facilities Zoning Ordinance, as the owners of the subject property we agree that the Town and its appointed representative(s) may enter the subject property to obtain RFR measurements, noise measurements, and to perform maintenance and safety inspections at the expense of the applicant, AT&T. We understand that, in the case of taking RFR and or noise measurements, the Town may enter without any advance notice to either AT&T or to us as the property owners. We further understand that, in all other cases, the Town shall provide reasonable written notice to AT&T and to us as the property owners and shall provide AT&T and us the opportunity to accompany the Town representatives when the inspections are conducted.

Sincerely,

Wendy Dunlap

John Dunlap
