

NEIGHBORHOOD WATCH / BUSINESS WATCH

The Antrim Police Department with the co-operation of the citizens and business owners of the Town of Antrim has begun the process of establishing the Neighborhood Watch and the Business Watch programs. The Neighborhood Watch and Business Watch programs are designed so that Neighbors and Business Owners can look out for one another and report suspicious activity to the local police department. We encourage all law abiding citizens of all ages within the community to take an active role in assisting to keep the Town of Antrim a safe place to reside and work. If you are interested in starting this program in your neighborhood, or would like further information please contact the Antrim Police Department Neighborhood Watch Liaison officer, Officer Sean Cavanaugh.
