Explanation of Warrant Article 18

Carbon Coalition

Your town warrant will include the Climate Change Resolution.

The Carbon Coalition steering committee has created a website in response to several requests for background information from selectmen, town administrators and citizens. We hope you will consider linking to this website: the Climate Change Town Resource Page (URL <http://www.carboncoalition.org/community/Community.php>) from your community homepage.

The website provides:

Questions and answers about the resolution and global warming
News clips-articles, op-eds, letters to the editor, etc.-about global warming in NH, the Town Meeting Initiative, and the Carbon Coalition
Fact Sheets
A list of resolution endorsers
Downloadable copies of the resolution
