**Subject:** Link + attached June 28 ACB Draft Agenda

Hope all is well and to see everyone on the 28th. Here's the link to the draft agenda. It's in the "Meeting Materials" folder. Please send additions and changes.

Note this draft proposes ending at 6:45 pm instead of our regular 7:00 pm to enable attending the screening + discussion of the film made by the Avenue A Teen Center "Community, Belonging, Place". I've been asked to be on the panel representing us, but would greatly appreciate it if other Board Members who are much closer to today's teen scene than me (my kids are in their 40s) are there to bail me out when I make outdated remarks. It is at the Tuttle Library from 7:00 pm - 8:00 pm. and part of an Avenue A initiative to find ways to better connect teens to their communities — so this initiative is right at the core of our mission to build connections of every kind between everybody. For more info see <https://fb.me/e/2wt8bSO71>

PS on the Swap Shop Project — Although almost no one who volunteered last August was able to volunteer again, we have enough to move ahead and in particular, Mark Tenney and Rich Hanlon have agreed to essentially manage it.
