

Don't be Broken Hearted!

Come take part in our Heart Hunt
to find your missing half!

Email us at AntrimRecreation@tds.net by Tuesday evening to take part. We will e-mail you back with your half of a broken heart. Then, from Wednesday through Sunday, hunt around town to find your missing piece! Take a photo with your half a heart and your missing piece together, and email us the photo to win a sweet treat! Don't forget to include your mailing address when you send in your photo! Need a hint? We will have an example up in the window of the Recreation Department office, so you can see what you are hunting.
