This summer we are making a few changes to how our programming runs that we think will make camp even more fun and successful for everyone! When you are reading the camp brochure, please be sure to look for the weekly schedule and for some examples of the kind of fun activities that might be planned for each week! We are also excited to be offering Learn to Swim activities as part of the Camp experience this summer, during our mornings at the beach.

A quick note from your Camp Director:

I wanted to take a moment to discuss what camp will look like this summer. We are currently anticipating that we will have similar restrictions to last summer, and are still following all of the guidelines and recommendations being issued by the CDC, our governor, and the ACA. Masks will be required in compliance with all current mandates. Campers will be scheduled to participate in activities within their smaller groups, and meal locations will be spread out over the site to accommodate recommendations.

A huge positive is that we do anticipate being able to use busses again this year, which should allow us to take some off campus field trips to area attractions. While it may still feel a bit different, I anticipate this being a fun and successful summer of camp!

See you at Camp,
Tazz

Space is limited, so register early!

Registrations must include a 50% deposit for each week to hold your child's spot. We also want every child to have the chance to come to camp, so if you need a scholarship,

PLEASE ASK!

Once we receive your registration, we will send you your camper information packet.

End of Summer Celebration: All-camp Stay-up-late Night!

We want to finish out the summer this year
with an epic all-camp stay-up-late night!

August 19, 7PM-10PM

This will be a free family event to finish out the summer. Campers will finish with the last day of camp at 4 PM on August 19th, and head home as usual. Then, at 7 PM, any Campers who attended camp at any point during the summer can come back with their family for a night of fun and adventure!

We will have telescopes set up to look at the stars, the makings for some tasty S'mores, some fun nighttime crafts and games, and then we will finish up with time for a story or two!

Sign-up forms for the All-camp Stay-up-late Night will go home at the start of each session. If you have any questions, or would like to help us make this event a great success, please reach out to Eren at AntrimSummer@tds.net!

****Please Note - This is a FAMILY event. Recreation Staff will be on hand for evening activities, but all children MUST have an adult staying with them for the event.****
