21-2948	1120	Radio - Suspicious Circumstances	Services Rendered
Call Taker:	Patrolman C Leland J Hunter		
Vicinity of:	KEENE RD + LOVERENS MILL RD		
Narrative:	21 and I responded to Loverens Mill Rd for the report of a suspicious male walking down the road with two young children. The RP reported when he drove down the road, the male ducked into the wood line and told the children to follow him. RP said the male and the children have been walking in the same area for about an hour. I made contact with the male who was positively identified as the children's uncle who recently moved from California back with his mother on Keene Road in town. The male's mother (children's grandmother) responded to our location and told me the children were staying with her and their uncle because her grandson was sick and was waiting for a Covid-19 test result later that day before returning to school. The children did not appear to be in distress and I did not observe any concern for their safety. I also spoke with the children's mother on the phone who provided me the same info as the children's grandmother. The children returned home with their uncle and grandmother without issue. I spoke with the RP to update him.
