Mission

The Town of Antrim program was established to fill an emergency need until something else happens such as employment, State Aid, Social Security, etc. We are here to assist in a temporary capacity only. We will assist in directing you to other agencies that can better accommodate your particular needs on a longer-term basis. Our assistance is not intended to subsidize rent for someone living beyond one’s means.

Each person deserves dedicated time and attention to address individual needs. In order to accomplish this, appointments are required. Please be guided by the times that are available for appointments and be respectful of the need to wait for the appointment and the requirement for the necessary documentation.

If the Town is able to provide financial assistance, reimbursement is expected at a time when it is not a hardship to the client. In the case of homeowners, be mindful that a lien will be placed on your property for the amount of the assistance.

In order to qualify for Town Assistance, there are financial criteria, as well as non-financial requirements. The applicant must stay in compliance with Town Welfare and State Welfare guidelines if assistance is to continue.

It is the responsibility of the applicant to make an appointment every time assistance is requested.

**What is the Electric Assistance program?**

The Electric Assistance Program (EAP) provides qualifying Public Service of NH (PSNH) and NGRID electric customers with a discount of 5% to 70% on their monthly electric bill. Renters, subsidized renters and homeowners who receive an electric bill may apply for the EAP. Eligibility is determined by total household income, the number of household members and available funding. The application can be taken at the same time that you apply for the Fuel Assistance Program. EAP income guidelines are lower than the FAP income guidelines. Cases may be wait listed due to funding.

**Fuel Assistance Program:**

The fuel Assistance Program (FAP) provides benefits, on a funds available basis, to qualified households in NH to help heat homes or apartments during the heating season. The office of Energy and planning provides money to six local Community Action Programs, who distribute it to qualified households throughout the state.

**Am I eligible?**

Eligibility and benefits for these programs are determined by Gross household income, number of household members and heating costs. Income is based upon a household’s gross monthly income for 30 days prior to the date of application.

**How do I apply?**

Call your local office at 924-2243 to make an appointment to apply.

Are you disabled?

What if the doctor tells you that you are not physically or mentally able to go to work at this time? How are you going to pay your bills? There’s help in New Hampshire.

What do all these terms mean? Here’s a brief description of each of these services.

**APTD**
APTD stands for Aid to the Permanently and Totally Disabled. It’s a serious name for a form of Medicaid, which is administered by the State. This is for adults who have been determined eligible by the Department of Health & Human Services. In order to qualify, an individual must have a disabling condition, documented by a physician. Per State Statute (RSA 167:27), if a person receives APTD, he/she is not eligible for town assistance.

**DHHS**
DHHS stands for Department of Health & Human Services, which is located at 19 Chestnut Street in Nashua. This is where one would go to apply for Food Stamps, Medicaid, Elderly & Adult Services, as well as other programs. If applying for Town Welfare, it will most likely be a requirement that you also apply for any appropriate services at DHHS.

19 Chestnut Street, Nashua
603-883-7726
MEAD
MEAD is a Medicaid program for someone who has been deemed as disabled, but is still able to work. MEAD is short for Medicaid for Employed Adults with Disabilities. You can collect SSDI, but still earn some money. Consult with your doctor to determine when it would be appropriate for you to return to some kind of job, and what type of employment is best for you. Call 883-7726 for more information, or speak to a representative at Social Security 880-0295.

MEDICAID
This is the health care program for the needy in NH. It includes prescription coverage. You need to apply at DHHS. There are a lot of forms and it is income-based, as well as you needing a medical diagnosis. If you are close to qualifying, but have a little more money coming into the household than straight Medicaid allows, you may be required to pay a spend-down each month – kind of like a deductible. Once it is documented that you have paid the spend-down, then you may be eligible for 100% coverage for the remainder of the month. http://www.dhhs.state.nh.us

MEDICARE
Medicare is a federally administered program. It is for health care for the elderly and disabled. If you are under the age of 65, you still may be eligible for Medicare (in addition to Medicaid in some cases), if you have been deemed as disabled for at least two years. Medicare offers Part A (hospital), Part B (medical), and Part D for prescriptions. If you have questions on bills, you can contact a member of HICEAS by calling 1-800-852-3388. http://www.medicare.gov http://www.familiesusa.org http://www.ssa.gov/

SSDI
This stands for Social Security Disability Income. The federal government administers this program. You must apply at the local Social Security office. SSDI is a monthly income program. It is set up to help individuals who may not be able to earn an income on their own. In order to receive it, you must have paid into the system, worked a certain amount of quarters, and earned a certain amount of money. The Social Security office has all of the requirements. And if you are eligible, ask the Social Security office how this may affect your retirement amount later on. Applying for SSDI is not quick or easy. There is a lot of paperwork and you will be required to go to doctor’s appointments. A decision may be made in your favor (granting approval), or denied – stating you are not eligible to collect. If you are denied, there is an appeals process, which, if you pursue, may take months. Often times, more documentation is needed in order for Social Security to make a decision. It is your responsibility to provide everything that is requested.

SSI
SSI is Supplemental Security Income – a federal program based on income. You must be income-qualified and meet certain criteria in order to be eligible. This is a monthly cash benefit program. It is for someone who is deemed as disabled, but does not qualify for SSDI, or is in addition to their monthly SSDI. It is the same program that may help children of a parent who has died or is disabled.

WELFARE
In New Hampshire, there is both state welfare and local welfare. State Welfare is DHHS (Department of Health & Human Services). Local Welfare is based out of Town Hall/City Hall in your local town/city. DHHS is located in Nashua for Antrim residents, and local welfare for Antrim residents is located at Town Hall on Main Street. You may call 588-6785 to make an appointment. Neither state nor town welfare is a quick or easy process. Both require a lot of documentation, and the burden is on you to supply all the necessary paperwork. In order to be eligible, certain requirements will be made. Failure to meet all requirements will result in a denial of assistance.

VOCATIONAL REHABILITATION
Even if you have been deemed as disabled, you still may be able to return to work. You may have to take a job that meets accommodations and one that has limitations. "Voc Rehab" may be able to train you for a new line of work.
