| 12. | In the interest of providing voters with an accurate and detailed assessment of the impact school closures have on communities, we are requesting that an impact study be required for any proposed school closure, consolidation or relocation. It is our opinion that school consolidation, closure or relocation has a substantial impact beyond just our school budget. It is our hope that voters are presented with honest information that assesses the impact such a measure would have on their property values, local businesses, traffic flow, law enforcement and most of all, on our children's futures. For these reasons, we are presenting the following amendment to the Conval School District Articles of Agreement for voter consideration.<br><br>To amend paragraph 5 of the Conval School District Articles of Agreement to read as follows:<br><br>5. The Contoocook Valley School District (ConVal) shall be responsible for grades one through twelve (1-12) and Kindergartens. Grades five through eight (5-8) <u>shall</u> be educated at the Middle Schools in Antrim and Peterborough. Elementary Schools shall be maintained in Antrim, Bennington, Dublin, Frankestown, Greenfield, Hancock, Peterborough, and Temple.<br><br><u>Any proposal, either petitioned, initiated by the school board, or administration considering school closures, consolidation and or relocation must be accompanied by a current, comprehensive and independent impact study that includes evaluating potential changes in property valuation, local business, traffic flow, traffic enforcement, student transportation, student participation in sports, extracurricular activities, class sizes, and community outreach. The impact study shall evaluate each township within the Contoocook Valley Regional School District separately and the final report will be made public at a minimum of three months prior to a public vote on the proposed closure, consolidation or relocation. The definition of "current" in terms of the independent impact study, shall mean a period of three years prior to a public vote. No school closure, consolidation, and or relocation will become effective unless two-thirds of the voters of the District voting shall vote in favor of adopting the measure. (SUBMITTED BY PETITION.) (The ConVal School Board DOES NOT RECOMMEND this article for adoption.) (2/3's Vote Required)</u> |                                 |
